

RISK MANAGEMENT

WE BELIEVE IN TAKING A PROACTIVE ROLE IN REDUCING OUR CLIENTS' RISK and trying to prevent loss before it happens. That's why we provide a full arrangement of innovative risk management measures, including risk assessments, training and employee education.

OUR ONLINE TRAINING AND TRACKING MANAGEMENT SYSTEM PROVIDES 24/7 INSTANT ACCESS to a wide range of courses, at no additional cost to our clients. The extensive management tools allow you to create customized training programs, track user activity and easily maintain detailed training records. Our specialists will work with you to set up E-Learning for your business and offer technical support to both trainers and trainees at your convenience.

McNEIL & Co. CLIENTS RECEIVE A FULL ARRAY OF ADDITIONAL RESOURCES, including accident report forms, safety checklists, risk management plan development and help with NFPA standards and compliance.

For a complete listing of our risk management resources, courses and programs, visit mcneilandcompany.com or call us directly at (607) 246-7532

McNeil & Co. has become the leader in specialized risk management and insurance for one reason: we live and breathe our clients' businesses – with a suite of policies that are never off-the-shelf, with service that's always a step ahead and with training and risk management programs designed to prevent loss before it occurs

That's why we've been in the business for over 25 years and why our clients see us as consultants, experts and partners for the long haul. Our specialized programs include AdvenSure, AnimalKeepers, ASIP, BISA, ESIP (and Benefits), FireWatch, HOMed, WildPRO and the Bar, Tavern, Club Program.

**Specialized Insurance for
Wildland Firefighting
Contractors**

WildPro, by McNeil & Co., is the first-ever property and casualty insurance program designed specifically for the wildland fire suppression industry, including businesses that provide **engines, tender, hand crews, camp administration, contract catering and other support services.**

Based on more than 30 years of success insuring the fire industry, along with insights from wildland firefighting experts, WildPro offers deep understanding of your needs and exposures and a comprehensive program designed to offer one answer for nearly all your coverage requirements. Our approach goes beyond traditional insurance, with a full package of risk management services to help you run a safer, more secure operation.

WildPro offers the attention and expertise you can only expect from people who live and breathe your business, and we're ready to design an insurance package customized to your needs.
