

RISK MANAGEMENT

WE BELIEVE IN TAKING A PROACTIVE ROLE

in reducing our clients' risk and trying to prevent loss before it happens. That's why we provide a full arrangement of innovative risk management measures, including risk assessments, training and employee education.

OUR RISK MANAGEMENT CONSULTATION SURVEY SETS YOUR BUSINESS UP

to meet with a qualified Field Representative to review important aspects of your existing safety and risk management practices. Our Safety Specialists then review the information gathered during your meeting and – based on their industry experience and insurance knowledge – create a personalized recommendation report to help increase safety and minimize loss at your business.

E-LEARNING, OUR ONLINE TRAINING AND TRACKING MANAGEMENT SYSTEM, PROVIDES 24/7 INSTANT ACCESS

to a wide range of courses, at no additional cost to our clients. The extensive management tools allow you to create customized training programs, track user activity and easily maintain detailed training records. Our specialists will work with you to set up E-Learning for your business and offer technical support to both trainers and trainees at your convenience.

McNEIL & Co. CLIENTS RECEIVE A FULL ARRAY OF ADDITIONAL RESOURCES,

including tool reminder stickers, accident report forms, safety checklists, risk management plan development and help with NFPA standards and compliance.

For a complete listing of our risk management resources, courses and programs, visit mcneilandcompany.com or call us directly at (800) 822-3747 ext. 176.
