

SAFETY BULLETIN: Employee Training Programs

Without employees, your car wash wouldn't be able to operate. But do you provide the training they need to operate your wash to the standard of excellence you expect? Establishing an Employee Training Program is key to ensuring your wash operates productively and safely. Here are some recommended trainings you should have in place when creating a program for your employees:

- ◆ Driving Operations
- ◆ Lock-out/Tag-out Procedures
- ◆ Welding Procedures
- ◆ Use of Machines
- ◆ Chemicals Used on Site
- ◆ Use of Personal Protective Equipment
- ◆ Completing Accident or Injury Forms
- ◆ Completing Maintenance Logs
- ◆ Review of Required OSHA Regulations
- ◆ Company Policies & Procedures
