

SAFETY BULLETIN: Tailgate Talks

When the everyday tasks become routine, it's easy to forget the safety procedures and protocols that are put in place to keep us safe. "Tailgate Talks" are a quick and simple way to gather up employees and briefly review safety topics. Here are a few ideas to get your Tailgate Talks started!

- ◆ Common Distractions in the workplace and how to avoid them, such as cell phone usage
- ◆ Employee Safety: keeping an eye on your surroundings, watching for potential hazards, and keeping an eye out for suspicious activity.
- ◆ Procedures such as Lockout/Tag Out and asking the question, "Does everyone know what that means?"
- ◆ Proper use of Personal Protective Equipment and understanding the "Right-to-Know"
- ◆ Reviewing driver safety when operating customer vehicles
- ◆ Ensuring everyone understands what to do in the event of an accident or robbery
